

FLOOR COATINGS

Maris Polymers®
POLYURETHANE SYSTEMS

FLOOR COATINGS

An industrial floor is constantly exposed to mechanical wear, abrasion, impact loads, chemical attack and ongoing stresses.

MARIS POLYMERS offers an assortment of functional and decorative floor coatings which offer protection to even the most demanding flooring applications.

MARIS POLYMERS Floor Coatings offer high abrasion and impact resistances, chemical protection, decorative aspects, simple application and low cost.

Maris Polymers®
POLYURETHANE SYSTEMS

a wide range of application possibilities

Professional flooring applicators in over 35 countries in Western Europe, Eastern Europe, Middle East, America, Asia and Australia, use the MARIS POLYMERS Floor Coating Systems for demanding protection.

The floor coatings offered by MARIS POLYMERS have a wide range of uses and applications as:

- ✦ CAR PARKINGS
- ✦ WAREHOUSES
- ✦ INDUSTRIAL PRODUCTION AREAS
- ✦ SPORTS FLOORS
- ✦ SHOWROOMS
- ✦ COLD STORAGE ROOMS
- ✦ HOSPITALS
- ✦ OFFICES
- ✦ SUPER MARKETS, etc.

Thin-layer polyurethane floor coatings

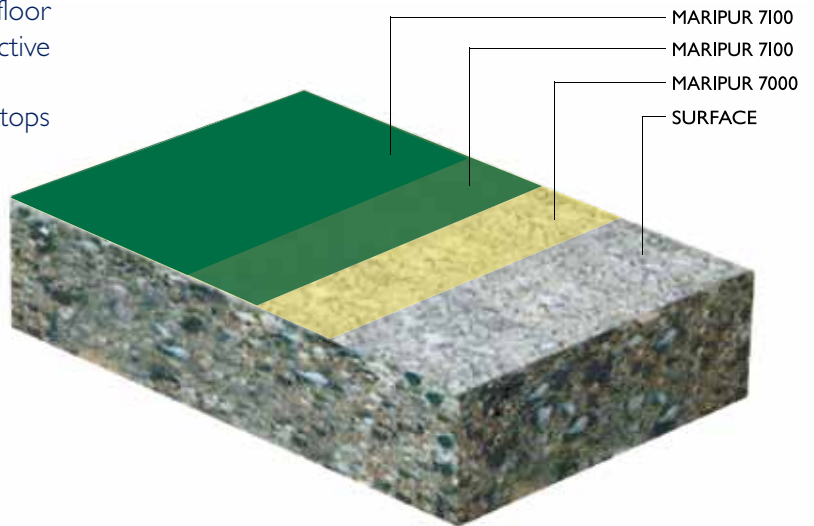

MARIPUR•SYSTEM®

The **MARIPUR•SYSTEM** is a premium, thin layer, one component floor coating system. It provides the floor a highly abrasion resistant, chemical resistant protective cover.

The **MARIPUR•SYSTEM** decorates the floor and stops the creation of dust and absorption of liquid stains.

The **MARIPUR•SYSTEM** can be used on floors as:

- ✦ CAR PARKING AREAS
- ✦ WAREHOUSES
- ✦ INDUSTRIAL PRODUCTION AREAS
- ✦ OFFICES & SHOPS
- ✦ SHOWROOMS
- ✦ COLD STORAGE ROOMS, etc.

SELF-LEVELLING POLYURETHANE FLOOR COATING

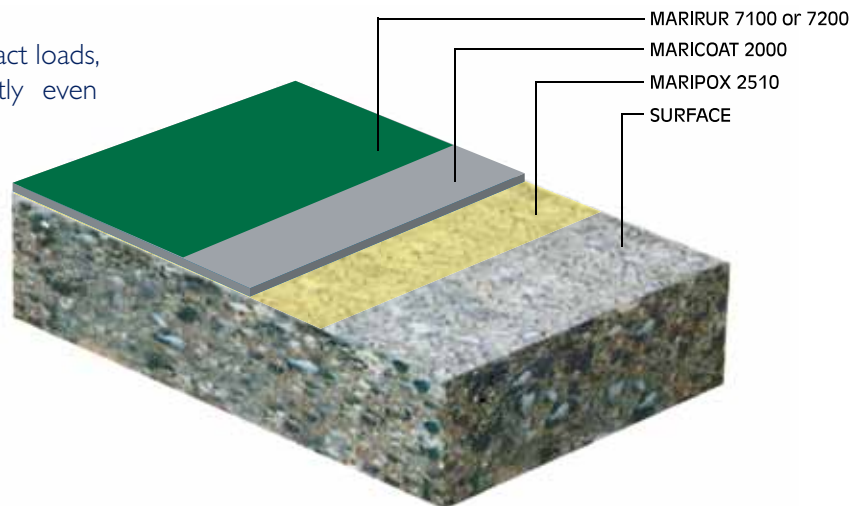

MARICOAT-SYSTEM®

The **MARICOAT-SYSTEM** is a premium, self-levelling, thick layer, two component, solvent-free polyurethane floor coating system. It provides the floor a hard elastic, abrasion resistant, protective covering.

The **MARICOAT-SYSTEM** protects against impact loads, chemical attack and also provides a perfectly even levelled decorative finish.

applications

- OFFICES
- SHOWROOMS
- RETAIL SHOPS
- INTERIOR SPORTS FLOORS
- WAREHOUSES, etc.

SELF-LEVELLING EPOXY FLOOR COATING

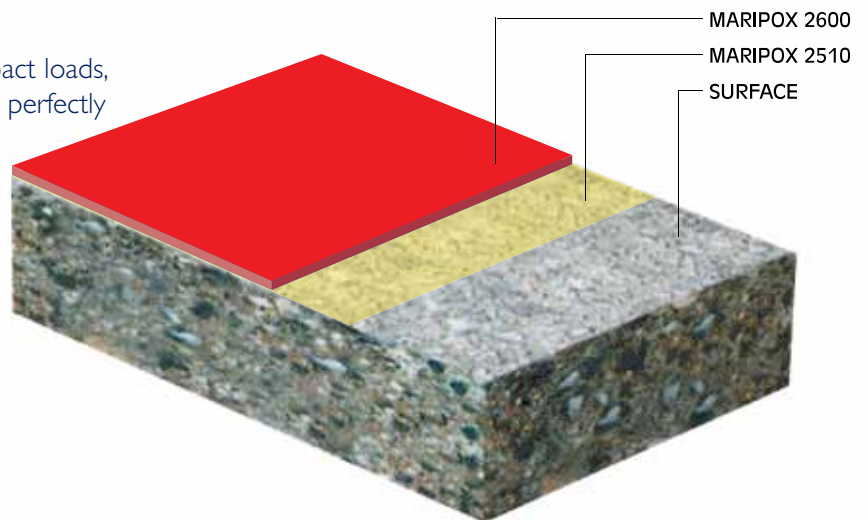

MARIPOX-SYSTEM®

The **MARIPOX-SYSTEM** is a premium, self-levelling, thick layer, two component, solvent-free epoxy coating system. It provides the floor a rigid, abrasion resistant, protective covering.

The **MARIPOX-SYSTEM** protects against impact loads, abrasion, chemical attack and also provides a perfectly even levelled decorative finish.

applications

- INDUSTRIAL PRODUCTION AREAS
- WAREHOUSES
- CAR PARKINGS
- NIGHT CLUBS
- OFFICES
- SUPER MARKETS, etc.

DECORATIVE FLOOR COATING

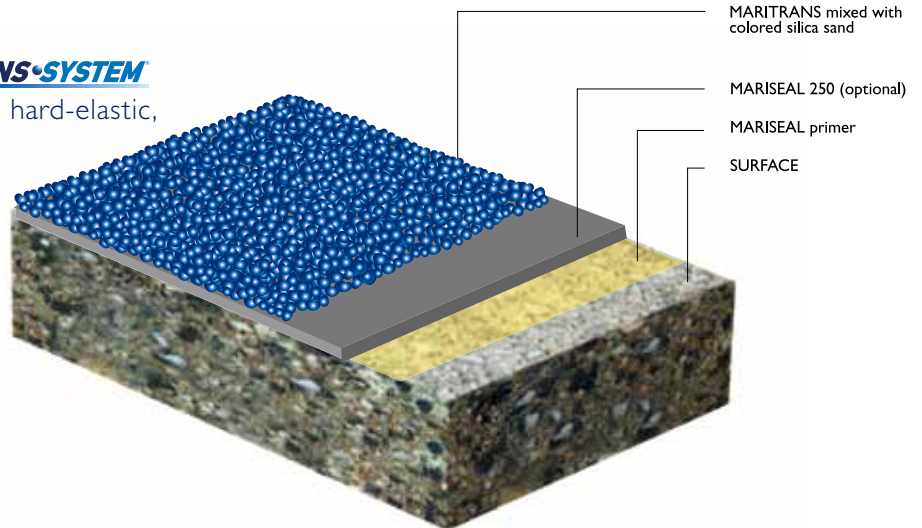

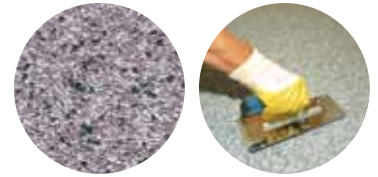

MARITRANS•SYSTEM®

The **MARITRANS•SYSTEM** is a premium, transparent, one component polyurethane binder resin, which can be used to produce decorative, sandcarpet coatings and finishes.

The sandcarpet produced with **MARITRANS•SYSTEM** provides a decorative, non-yellowing, hard-elastic, abrasion resistant floor covering.

applications

- SHOWROOMS
- STORES
- RESTAURANTS / CAFETERIAS
- BALCONIES / TERRACES
- DECKS, etc.
